

12" FLASHING HAND HELD DUAL SIGN PADDLE

- This product is built with a total of 75 Flashing LED lights that bring the attention to safety hazards and potential crosswalks in the area.
- This dual sign has a red sign with the word “STOP” on one side and the other side is yellow in color with the word “SLOW”
- The dual sign is 12” by 12” and uses an AC powered wall charger to recharge the batteries for multiple uses

PRODUCT APPLICATIONS

This LED Hand Held Dual Sign Paddle is ideal for high traffic areas with crosswalks or school crossings with the need for additional alerts. This dual sign is perfect for crossing guards as the flashing lights bring attention and add safety to the area.
